Description

This is a demonstration property to show how PDF brochures work within the Domus system. This brochure will extend in length to match the information filled out on a property, for example if you want to include more photos an extra photo page will pop up, or if you want to include a longer description this will also extend. We can also customise the layout to work best with your data creating the perfect one template fits all. To find out more about our PDF brochures please call 0330 445 0145 or e-mail support@domus.net.
